WRHS ACTIVITIES

National Honor Society is hosting an aluminum can drive as part of their global United Nations Goal #12 (Ensure Sustainable Consumption and Production Patterns) Initiative. Aluminum cans will be collected by advisory teacher and recycled by our chapter of NHS. All proceeds will directly benefit our chapter and be used to support future service projects. Please bring as many cans to your advisory starting today through October 18th! The advisory with the most cans recycled will receive a pizza party!

The library reading challenge continues into Q2, so keep reading and keep logging. So far our **top three staff readers are:** Colligan (ELA) - 12 books logged, Ritchie (ELA) - 10 books logged, Lash (Library) - 9 books logged. **The top three student readers are:** Jarah Dodder (9) - 17 books logged, Korie Hubbard (12) - 16 books logged, Rae Kailer (11) - 15 books logged. **Remember - you can earn prizes all year for reading 4, 8, 16, and 20 books!**

PSAT test takers: please check your email for details!

Test Dates

Grade 9: October 16 in Cafeteria

Grade 10: October 17 in Cafeteria
