

5th Grade #keeplearning Board #1

Even though we are not physically together, learning happens every day. This #keeplearning Board is designed to keep families and schools engaged with learning while we are apart.

The following lists of activities are at varying levels of difficulty. These are learning opportunities that you may choose to do at home with your child.

<i>Social-Emotional</i>	<i>English Language Arts</i> *Read for 30 minutes EVERY DAY!*	<i>Writing</i>	<i>Math</i>
<p>Start a gratitude journal. Write down three things that you are thankful for. Draw a picture!</p> <p>Physical activity: Do 20 jumping jacks.</p>	<p>Identify story elements:</p> <p>Read for 30 minutes Identify the characters, setting, problem/solution.</p> <p>If you want, draw a story map.</p>	<p>Make a Journal: Start a daily journal to record what you're doing each day.</p> <p><i>Today I...</i></p> <p><i>...tried</i></p> <p><i>...discovered</i></p> <p><i>...found</i></p> <p><i>...learned</i></p> <p>Continue to add to your journal daily.</p>	<p>Solve these equations (pay attention to the operation)</p> $3 \frac{2}{3} + 2 \frac{1}{2} =$ $\frac{7}{8} - \frac{1}{4} =$ $2 \frac{1}{3} \times 5 =$ $5 \div \frac{3}{4} =$ <p>Feel free to have a family member write some more to practice! If you have not learned one of these operations - substitute the one you need more practice on.</p>
<p>Take a walk with a family member. Talk about what you see and hear in nature.</p> <p>Physical activity: Do 30 sit-ups.</p>	<p>Illustrate: Make a WANTED poster for a character from a book you have read. Include a picture. You should also have at least 5 character traits that would help to identify this person.</p>  <p>Read a book of your choice for 30 minutes.</p>	<p>Write a Biography: Write a biography about someone that lives in your home (age, place of birth, work/school experience, etc.) Include an intro about who you interview, 3 body paragraphs, and a conclusion.</p> <p>Add to your daily journal.</p>	<p>Warm-up: The city park is $9 \frac{2}{5}$ miles from the elementary school. The city library is $3 \frac{3}{10}$ miles from the same school. How much farther from the school is the park than the library?</p> <p>Draw a map to illustrate this problem by adding in two other locations and tell how far apart they are from the school.</p>

<p>Play a board game! Be a good sport and use positive and encouraging words.</p> <p>Physical activity: Do 15 burpees</p>	<p>Theme Comics:</p> <p>Read or listen to a picture book and identify the THEME. Create a comic that has the same theme. Try to include at least 6 boxes (scenes) that tell the story through actions. Have a family member read it and see if they can tell the theme or lesson learned!</p>	<p>Write a Letter: Write a friendly letter to a resident at Aldersgate Village. Be sure to include a greeting, body, and salutation.</p> <p>*If you wish, mail your letter to Aldersgate Village % Jennifer Bahr-Slocum 3220 SW Albright Dr. Topeka, KS. 66614</p> <p>These seniors are very lonely and would love to get letters!</p> <p>Add to your daily journal.</p>	<p>Solve the equations</p> $3 \times .3 =$ $.8 \times .10 =$ $6 \times 1.3 =$ $2.2 \times 6 =$ $4.5 \times 3.03 =$ $7.65 \times 10 =$ $7.65 \times 1000 =$ $7.65 \times 10^2 =$ <p>Explain how you knew where to place the decimal in your answer.</p>
<p>Choose a comfortable sitting position as you take a slow deep breath in through your nose, raise your shoulders up towards your ears. Breathe slowly out through your mouth, lowering your shoulders as you exhale. Repeat slowly 5 times, rolling your shoulders up and down in time with your breath.</p> <p>Physical activity: Do 20 push-ups.</p>	<p>Sequencing:</p> <p>Create a timeline of important events in your life. Start with birth... try to include at least 15 events. Then write a paragraph using transition words (first, next, another, then, most recently) to summarize the events in your life.</p> <p>Read a book of your choice for 30 minutes.</p>	<p>Write a Narrative: Write a story on paper. It can be a true story or completely made up. Share it with your family. Make sure you include the story elements.</p> <p>Add to your daily journal.</p>	<p>Warm-up: Tara baked 6 1/2 dozen cookies. She sold 3 2/6 dozen of the cookies she made. How many dozens of cookies does Tara have remaining?</p> <p>Plan dinner for your family. Choose a couple of recipes and make a grocery list with how much of each item that you need. Bonus activity: Make the meal for your family!</p>
<p>Game / Fresh Air: Play a game of your choice outside. Get some fresh air and some physical activity. Some fun ideas are: basketball, jumping rope, bike riding, or take a walk.</p> <p>Physical activity: Do 25 jumping jacks.</p>	<p>Summarize:</p> <p>Read a favorite book for 30+ minutes. Write a summary of what you read.</p> <p>Somebody, Wanted, But, So, Then...</p>	<p>Make a Letter: Write a letter to a fourth-grader explaining two or three key strategies for having a positive 5th-grade experience.</p> <p>Dear _____, You will love 5th grade because _____, _____ and _____.</p> <p>Add to your journal daily.</p>	<p>Coin Stories: Collect as much spare change as you can find in pockets, between sofa cushions, and on car floors – no piggy banks. Count up your collection and make up four descriptive word problems for the money, one for the problem for each operation (+, -, *, ÷). Provide the work and the answers to your problems.</p>

Be safe. Be well. #keeplearning
