

# 2015 Wanamaker Holiday Project

It is that time of year again when the students at Wanamaker find out how great it feels to help local people in need.

In keeping with a tradition started many years ago, the students will be giving gifts to the community instead of having a student gift exchange. On Friday, December 18 at 2:00 pm, there will be a holiday assembly where representatives from each organization will accept the donated gifts.
