

WRHS SUMMER SCHOOL 2017

Credit Recovery: English, Math, Science & Social Studies

WRHS Summer School session is for students who need to repeat a semester course in which the student did not receive credit during the regular school year. Upon successful completion of a summer school course, the student will be granted .5 credits (one full semester). Due to the time and space limitations of summer school, students may enroll in only one course of semester length. Note: Summer School is a “regular” educational setting and no Special Education services are provided.

Registration deadlines: May 8, 2017 if recovering credit for a FALL semester course, and May 30, 2017 if recovering credit for a SPRING semester course. Limited seats are available and are filled according to the order in which registrations are received.

Please send registration and fee to:

Attendance: Summer school attendance is imperative due to the amount of work that is required in a very short period of time. Missing school days, no matter how few, will only make work more difficult to complete.

Transportation: **If needed**, USD 437 may choose to provide limited bus service to the summer session site (WRHS) from elementary attendance centers.

Additional Summer School information is available in the high school counseling office.
