

# STEAMOPOLIS

"Science labs for students in grades K-6, on days out of school. We try to find days off that include all districts, so check your school calendar before enrolling!"

September 26: "Living in a Tree"

October 14: "Sweet Culinary Science"

October 20: "Forensic Science"

November 11: "Up, Up and Away"

December 21: "Coding for Kids"

**Enroll at [steamopolis.com](http://steamopolis.com)**

\$55 per lab 8:30-4:30 pm

(each lab is held at a different location)

These labs are taught as a collaboration between Kansas Starbase and Manchester School for Young Children.
