

# 2017 SUMMER DAY CAMPS

Registration opens **March 1**  
and closes **May 26**

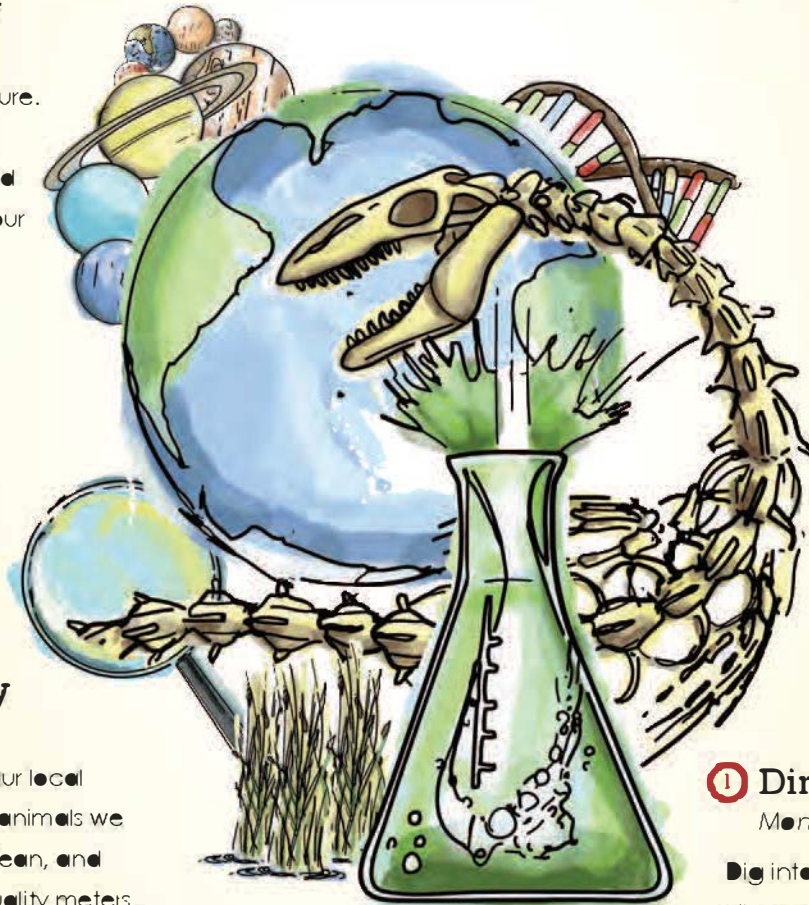

Camps are for ages 8-11

**\$80 per camp**  
(scholarships available)

## ③ Space Odyssey

*Wednesday, June 7*

Blast off for space adventure. Discover the science of planets, stars, meteors, and more. Build and launch your own water rocket.

## ③ Aquatic Biology

*Friday, June 9*

Make a splash exploring our local waters. Discover how the animals we find tell us if our water is clean, and learn how to use water quality meters. Be prepared to get muddy and wet!

## ① Dinosaur Detectives

*Monday, June 5*

Dig into the past with a simulated dinosaur dig. Learn how to identify dinosaurs and other fossils that provide clues to these creatures and the ancient environment in which they lived.
