## Participating Golf Courses

**Program Information:**

Our summer program consists of 6 hours of classes which covers all aspects of the game. Instruction covers how to properly hit woods, irons, along with chipping and putting. Class will cover rules, etiquette as well as learning proper practice techniques.

Students will have the option to pick one or multiple sessions.

Each student will receive a complimentary gift pack that includes a golf shirt, golf balls, and golf tees

Along with 6 hours of instruction and gift pack, students will have the opportunity to play free golf during our free play dates (see details on next page).
