July 15, 2019

School may be out for the summer but Rebound is excited to start gearing up for our 8th Annual Back-to-School Health Expo and we would love your students to attend! Our mission at Rebound is "To help create and support a community that lives an active and healthy lifestyle". Thanks to the support of local community businesses and organizations, Rebound Physical Therapy was able to give away 150 bags of school supplies, 12 bikes and educated over 500 students and parents on different opportunities in Topeka and the surrounding area that help prepare them for a successful upcoming school year! We are excited once again to bring together a group of local health and wellness professionals that share our passion for bettering our community! This year the Expo will be on Friday, July 26, 2019 5:30-7:30 PM!

I would like to personally invite the students of your district to this FREE event. We will have 200 bags of school supplies donated, door prizes, free popcorn and cotton candy, games and of course the most popular bike give away! I have enclosed a flier and brochures for this event. Feel free to make copies and distribute to each of your students. Please me know if you would like me to deliver flyers to your school. We could also email a Back to School insert for your school's website if this is easier. Your participation and support are greatly appreciated and anticipated! Feel free to contact me at 785.271-5533 for any questions.

Genuinely,

Buffie Munoz
