at 4:30 AM**

**Kansas Expocentre 1
Expocentre Dr □ Topeka,
Kansas**

**No Appointments - First Come, First Served
Children and Adults**

January 12, 2016

Dear Parent and or Guardian:

As you may have heard, the Kansas Mission of Mercy (KMOM) free dental clinic will be in Topeka at the Kansas Expocentre on January 29-30, It is the goal of KMOM to make sure that any child that may not receive regular dental care or has an unmet dental need is able to take advantage of this unique and beneficial opportunity. Our school nurses are partnering with KMOM to assist with scheduling an appointment for your child at the KMOM free dental clinic This will help to ensure your child see's a pediatric specialist, as well as avoids having to wait in line for treatment. During your child's time slot, KMOM staff will do their best to fulfill your child's dental needs. If you would like an arrival time for your child, we can arrange a pass which will allow your child NOT to have to wait in the long general public line...BUT this does not guarantee that they will be treated at that exact time. If you miss your scheduled arrival time, you will be welcome to wait in the regular line and they will do their best to treat your child. However, patients in the regular line will be seen on a first come, first served basis.

A parent or legal guardian or supervising adult must be present with their child at all times at the KMOM free dental clinic. If a parent or guardian cannot attend KMOM with your child, you will need to bring your child to be pre-screened on Saturday January 23rd at 1:00 at the office of Sunflower Smiles Pediatric Dentistry at 3635 SW Fairlawn Rd, at the corner of 37th St. and Fairlawn Rd.

- **To schedule a prescreening appointment** Sunflower Smiles staff will contact you at the phone number noted below, so please ensure the phone number you provide is a current phone number, that will be answered if called. At the pre-screening you will be informed of the dental treatment recommended for your child to be done at the Kansas Mission of Mercy and provided with a consent form for you to sign and send with a supervising adult on the day of assigned treatment. If you are a parent or guardian and require dental treatment for yourself, please plan to come on another day for your treatment other than the child's appointed day. The pre-screening is only needed for children attending KMOM **without** their parent or guardian.

Please return the portion below by January 19th to your child's school nurse so that your child may be assigned a date and time for a reserved appointment for treatment at the KMOM dental clinic. An official letter will be returned to you, in your child's book bag, with your child's date, time, pass and instructions for entering the clinic.

Thank you for your prompt attention to this matter. It is important to us and to KMOM to provide the best dental care for your child. If you have any questions, please contact your child's school nurse.

CUT AND RETURN LOWER FORM TO SCHOOL NURSE BY January 19, 2016

Student Name: _____

Parent Name: _____

Phone Number: _____

Treatment date preference: Friday 1/29/2016 _____ Saturday 1/30/2016 _____
(please check one)

___ I will not be able to attend KMOM with my child. I will attend the pre-screening 1/23/16.
