

Military Recruiter Opt Out Form

Section 9528 of the No Child Left Behind Act of 2001 requires schools to release directory information of secondary students to military recruiters unless the parent (or student over age 18) "opts out" in writing. This directory information includes name, address, age, and phone number of the student.

If you do not want this information to be released to military recruiters please complete this form and return it to the school or district office.

It is not necessary to complete this form if you have already made a general request that directory information not be released on this student.

As a parent, (or student over the age of 18) I am exercising the right to request that schools in Auburn-Washburn Unified School District 437 do not directly release the name, address, telephone listing and school records to the Armed Services, Military Recruiters, and Military Schools for the following student.

STUDENT NAME: _____ Date of Birth _____
PLEASE PRINT

NAME OF SCHOOL: _____

PARENT OR GUARDIAN NAME (IF STUDENT IS UNDER 18 YEARS OF AGE):

PLEASE PRINT

ADDRESS: _____

CITY STATE ZIP: _____

SIGNATURE: _____ **DATE:** _____
PARENT OR GUARDIAN (OR STUDENT IF OVER 18 YEARS OF AGE)

Completion of this form **will prevent** the direct release of the name, address, telephone listing and school records to the Armed Services, Military Recruiters, and Military Schools. Completion of this form **will not prevent** the student from being included in the yearbook, school directory, etc. To completely prevent the release of directory information a request must be made at the beginning of the school year.
