What's up with the PTO?

Hello Farley Foxes and Families!

First off, our board would like to thank you for a wonderful year. We have changed some things around this year and we have you all to thank for making everything a success. We truly enjoyed the First Friday Farley Art Walk and want to say a special thanks for Mrs. Ash and Mr. Karns for helping us put on a one-of-a-kind show! Our Farley Foxes are truly talented.

We ask that you join us for our final PTO meeting Thursday, May 10 at 5:30 p.m. as we will be voting in the new board and also voting on the final design for the new 800 sq ft addition to the Farley playground. This is a peer-inclusive play area and we will be adding lots of fun items for all kids to play with and on.

Very soon, we will be sending home information to order your 2018-2019 school supply kits! We have decided to partner with TARC this year (instead of SchoolKidz as in the past). Please let us know if you have any questions or concerns.

Thank you again for a wonderful year!

-Ashley Smith & Bobbi Overbey, Co-Presidents

Battle of the Books

3rd & 4th grade Battle of the Books is set for Tuesday, May 15, and 5th & 6th graders will Battle on Wednesday, May 16. The competition begins at approximately 9 a.m. each day. It is possible they will need to break for lunch and finish up afterwards. Parents are welcome to attend. If your child is still waiting for a book from the library, we strongly encourage you to get the book at the public library. Students earn points for answering the trivia by giving the title of the book and the author's last name. A list of titles and authors can be picked up in the library.
