

Kindergarten News

November 7, 2015

This week we learned about our Alphafriend, Pippa Pig and the letter Pp. We also worked with the word to and used numbers as adjectives. In Math we worked on decomposing (breaking apart) the number 10 in different ways. Next week, we will review all of our Alphafriends we have learned so far and their sounds. (Mm, Ss, Aa, Tt, Cc, & Pp). We will also learn the new high-frequency words is & on. We will be looking at the size and shape of nouns as adjectives too! In math we will finish our Chapter 4 and take the end of the chapter test.

Keeping a journal at home would really support the writing process. We are using phonetic spelling by writing down the sounds that we hear! Students also like to use our high frequency words when journaling. The high frequency words we are working on are on the back of the comment sheet each week! We can really tell some of you have been practicing! Please continue to reinforce these words at home, the students love using these words in their journals!

The Indian Hills Book Fair is coming! The week of November 16 through the 20 is the Indian Hills Book Fair. The Book Fair will be open in the library from 8:30-4:00 during these days. In addition, the Family Event Night is November 19 from 7:30-8:30. This is the BIG library Fund Raiser. The library uses the profits for class sets of books, library books, research materials and other library needs!

Friday, November 20 is the Thanksgiving Luncheon. Remember that we will eat ten minutes earlier at **10:45** for this special day. An invitation came home with your child this week. Be sure to return your reservation with your money by Tuesday, November 17th! The Book Fair will be open during the luncheon that day. What a perfect opportunity to visit the library!

**The holiday season is approaching and we are planning a special holiday surprise! You will enjoy this treasure forever. Please return \$3.00 to cover the cost of the item as soon as possible so we can get everything ordered. Thank you!

Just a reminder, in kindergarten we have several peanut allergies. Please check the labels to make sure that you do not send any snacks that contain nuts or have been processed in a factory where they make nut products; remember we must have the snack label in order to serve it. Help us keep our children safe! THANK YOU!
