2017-2018

Washburn Rural High School provides a progressive environment of world-class academics, athletics, and activities to foster all students' desires to learn and achieve through open discussion and self-discovery. As educators in pursuit of student success, we continually enhance our skills and knowledge so we may offer the most relevant, effective curriculum in order to achieve our vision.

From the Desk of Our Principal

Greetings!

Well, here we are at the end of the school year – and what a year it has been!

For those of you that have been following the life of our school, you know of our academic, athletic and extracurricular successes this year. We are the 2017-2018 Centennial League champions in Boys' Soccer, Girls' Tennis, and Girls' Golf; we are the State Champions in Girls' Golf and 4-Speaker Debate; we are Regional Champions in Boys' Soccer and Girls' Bowling; we are the Sub-State champions in Volleyball. Our spring sports are in full swing and doing quite well!

Our extra-curricular and co-curricular programs continue to flourish. Our Air Force JROTC unit received "Exceeds Standards" on their evaluation earlier this year. Our Band recently completed a fabulous trip to Orlando, Florida. 152 band students participated in the 'You're Instrumental' Workshop as a combined concert band at Disney's Hollywood Studios and marched down Main Street in the Magic Kingdom Parade. Our Debate and Forensics squads have won close to 500 team and individual awards this year. We are currently ranked 7th in the nation in terms of our chapter strength (a combination of number of competitors and success) with the National Speech and Debate Association. Add to that qualifying 18 students who will go on to represent us at the National Tournament in Fort Lauderdale this summer, and one quickly realizes that the parents, staff, students and community which WRHS serves have much to be proud of. It has been a truly exciting year!

Of course, this time of year also brings a great sense of excitement and anticipation for the upcoming summer months. In the past, some of this excitement has been shown in ways that reflected poorly on our school – most notably the graffiti that frequently appears on road signs, streets and the personal property of homeowners in the district. It is disheartening to receive calls from the community when this occurs – particularly from the elderly, many of whom are not physically able to remove the graffiti themselves. If we all communicate the costs of such behavior, I am sure we can collectively address this concern in an effective manner!

On behalf of the staff at WRHS, I would like to wish you the best of summers! It has been an honor and pleasure working with you this year.

Best,

Washburn University Concurrent Enrollment Program

Students must have a minimum 3.0 GPA, approval of the high school, and parent or legal guardian approval if under 18 years of age to enroll in the MA 116 concurrent enrollment course. Students must also achieve a score of 22 or higher on the ACT Math Exam or the equivalent ACCUPLACER Exam score. 9th grade students must have a gifted designation to participate in a CEP math course, and both 9th and 10th grade students must have the approval of the WU College of Arts & Sciences to participate. The ACCUPLACER Math Exam may be taken on the WU campus in May or June.

The exam normally takes less than an hour to complete. Students must register and pay the exam fee prior to the exam date. Additional information is available by contacting Washburn University at 785-670-1227. See Mr. Wetzel to pick up enrollment paperwork now instead of waiting until August.

College Visits

As you start to make summer plans, we encourage families to visit college campuses. This experience can help students set goals, make decisions, and understand the application process. Advice on planning a college visit can be found at <https://bigfuture.collegeboard.org/find-colleges/campus-visit-guide>.

Summer Programs and Volunteering

The WRHS counseling website has several resources available including contact information for volunteer and summer programs. Please visit <https://sites.google.com/a/usd437.net/counselors/>.

Washburn Tech Programs

A representative from Washburn Tech comes twice a month to visit with interested students about admission procedures and the many career programs offered. Programs at Tech are for 11-12th grade students who are on track toward graduation. See Mr. Wetzel in the Counseling Center for more information.

Transcript Requests

Seniors planning to attend college must request their Transcripts including grades from the Fall 2017 semester. They are available via Parchment e-transcript services. Go to www.parchment.com to send your requests.

Centennial Celebration

On April 14th, Prom was held at the Maner Conference Centre and Post Prom afterwards on April 15th at Washburn Rural High School. This year's Post Prom theme was "1918", in honor of the beginning of Washburn Rural High School and its 100 years of excellence.

An Alumni Association dinner celebration and time capsule dedication will be held on May 5th.

The Centennial scholarship fund raising campaign is fully underway. Contact the main office of Washburn Rural High School at 339-4100, for more information

For the 100 year celebration a video was created to celebrate the history and tradition of our school. For your convenience, here is the link below

WRHS PTO THANKS YOU

The WRHS PTO Blues Backers would like to thank all of the parents who contributed to Post Prom. Whether you made a monetary donation, a donation of items for the night or volunteered to help at Post Prom, your contribution was appreciated! Post Prom was again a success due to the countless hours put in by volunteers!

WRHS PTO BLUES BACKERS

Can you believe it's already time to start thinking about the 2018-2019 school year? We'd like to invite parents to join the WRHS PTO Blues Backers. Blues Backers is a group of parents and staff members that work together to provide support to all students, teachers, athletic teams and clubs in our school. There are numerous board positions that need filled for next year.

If you are interested in becoming a Blues Backers Board Member, contact Anne Bortz or Michael White via email at abortz@amfam.com or wildcatforlife@gmail.com for more information.

RURAL SPIRIT

— a full service student run apparel business - spirit wear for school, sports and clubs

In May...

Spring is underway, and summer break is getting closer! For those who come back next year, The Shack will be selling new shirts to wear during game days and other spirit events. These include a new polo and pullover! Also, don't forget to grab some dippin dots as it starts to warm up out there!

These shirts can be purchased at enrollment during the summer or fall of the 2018-2019 school year.

CAREER AND TECHNICAL EDUCATION

Sponsored by:

As our year comes to a close, here is our recap of how the 2017-2018 school year treated the WRHS Bank. We opened 95 new accounts, spoke to the entire Class of 2021 about financial success and the options they have at WRHS for accomplishing this—including business classes and saving money at the WRHS Bank—and continued processing all credit card transactions for The Shack and Common Grounds.

This year we were fortunate enough to get support from many local businesses for our Junior Blue Crew monthly giveaways. These businesses include The Blue Moose, Eagle Auto Wash, Five Guys, PKMR Engineers, Cambridge Quartz and Granite, GreatLife, HyVee, Papa Murphy's, Cold Stone Creamery, Mikoleit & Associates, Sheridan's Frozen Custard, and the WRHS PTO. We thank these community members for their support, without their generous donations the Junior Blue Crew would not be possible. The grand prize drawing for the Junior Blue Crew is quickly approaching. We are all eagerly looking forward to this \$500.00 giveaway.

Our main pride at the WRHS Bank is our customers. This year we were able to continue serving the WRHS PTO by processing all of the cash for the concession stands at WRHS. We also were able to serve the WRHS Drama department by selling tickets for their fall and spring plays, as well as their two musicals this school year. We were able to serve multiple sports teams by collecting money for their annual banquets. We were also able to serve WRHS STUCO by selling dance tickets to homecoming, formal, and prom. Last, but certainly not least, we were able to serve our WRHS Student and Staff customers.

This year our amazing bank staff included President Mindy McKinley, Vice President Parker Beal, William Baker, Abby Glynn, Jackson Glynn, Haley Hutton, Anna Parish, and Baylie Sigmund. Lauren Florea and Emma Getsinger were auditors. Mrs. Teresa Golden was the bank sponsor.

Thank you to our customers, staff members, and sponsors for an amazing year.

Congratulations WRHS Art Students

We wanted to take a minute to share how proud we are of our talented art students who were recognized this year in the Scholastic Art & Writing Awards. Out of the 2,300 entries received at the Regional level, we had 14 students recognized. As a school we received 13 Honorable Mentions, 2 Silver Keys, and 4 Gold Keys.

All of the Gold Keys from every region of the country go on to the National level, and we had one student, Ben Tilghman, receive a National Silver Medal!

Linked below is a short video that showcases all of the award winning artwork. Please join us in congratulating these students for all of their hard work!

https://www.youtube.com/watch?v=XJZI779rU_M

State Envirothon

Five students attended the state Envirothon contest. This is the first time we have ever competed at state, and, the students competed in 5 rounds:

Aquatic Ecology - identify fish and other organisms, invasive species, identify water shed and focus on improving water quality, etc.

Forestry - identifying tree types, forest pests, understand forest management, measure trees, etc.

Current Issue - Rangeland management - identify native grasses and flowers, invasive species, range management, prairie types, stocking rates for cattle, etc.

Soils/Land use - Understand basic soil formation and properties, identify types of soil erosion, identify soil composition, etc.

Wildlife - identify wildlife found in KS, basic survival needs of wildlife, invasive species, population factors, food webs, wildlife management

On top of this, they also had to give a 10 minute oral presentation over Rangeland restoration and management...

Long story short.... Kim Jalajos, Caleb Triggs, Thomas Wu, Alexis Rawlings, and Marcus Thieu received 3rd place in Current Issue and Oral Presentation and 4th place overall!

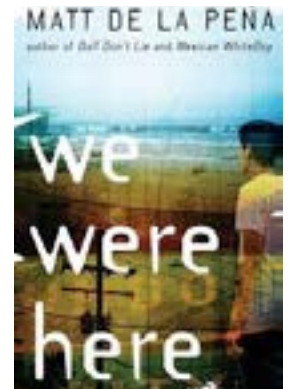

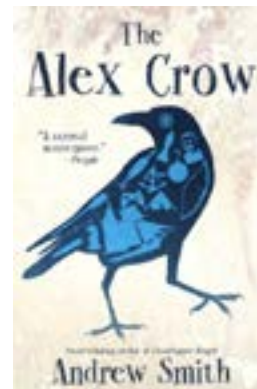

Super Proud of these students and please congratulate them if you see them!

March Madness Book Challenge

The March Madness Book Challenge had many more participants than last year who completed a book project after reading a book from the group. Hopefully the number of participants completing the special projects will continue to increase each year.

This year's winner of the Barnes & Noble gift card is Jamie Chung and the winner of the Best Buy gift card is Savannah Mann.

Congratulations to the winners and thank you to all who participated!
