Early Childhood Education

Here are the eligibility requirements for the Peer Model Program

- You must be a resident of the Auburn-Washburn School District, except for employee children and grandchildren. Peer model slots may be filled by children of district patrons, employee parents or employee grandparents.
- The age of your child must be 3 or 4 years of age and not of the age to be attending kindergarten.
- A 3 year old peer must be 3 by August 31, 2017.
- Your child must not have any current identified needs or currently be on an Individual Education Plan (IEP).
- Your child **MUST** be toilet trained.
- Transportation will be included to and from school.
- There is a six week trial period in the preschool for peer model placements. If during this period, concerns are noted in the area of social interactions, behavior or social communication, a conference will be scheduled to discuss termination of placement by the Early Childhood Special Education team.

Please Note:

- ✓ The deadline for submitting an application is February 21, 2017.
- ✓ Because of the limited number of classroom slots available, not all children with applications will be screened. You will be notified by phone by February 28th if your child is asked to attend the screening.
- ✓ The screening will be held on March 3rd from 9AM-11AM.
- ✓ All 3 year olds will be screened at Farley Elementary. All 4 year olds will be screened at Wanamaker Elementary.
- ✓ Parents will be contacted by letter on or before March 10th as to whether their child was accepted into the Peer Model program.
- ✓ Two classrooms for 4 year old peer models are available, one at Wanamaker and one at Farley.
- ✓ One classroom for 3 year old peer models is available at Farley Elementary.

A limited number of peer model spots are available. Parents should proceed with making other arrangements for the 2017-18 school year as a back-up plan in the event their child is not selected.

I have read the letter clarifying eligibility procedures for peer models and understand that there is a six-week trial period for continued participation.
