

PC/PS PTO Minutes
February 4, 2016 – Pauline South Library 5:30

1. Call to order and approval of January minutes; introductions (Gary Knoles)
2. Principals' Reports –
 - Mr. Holman – PS – During conferences, parents will receive a handout and report over a recent test students have participated in. This assessment gives parents and students a roadmap of skills students are doing well on, as well as skills they are struggling on. More important than the score, will be the guide that informs parents and teachers of how to help students in areas they are not as strong in. Even if the score is lower than all parties are comfortable with, it is okay – this test, the content, is much more rigorous than students are used to, much like current state assessments are. Conferences are next week; call the school if you are unsure of your scheduled conference time.
 - Mr. Hageman – PC – Parent-teacher conferences next week – thank you in advance for parents and patrons who help; last 3 week PC has been interviewing teacher candidates – new hires: Sydney Allen from Oskaloosa, Adrian Evans 2nd grade from Quincy, Melissa Clark 3rd grade from KU; Velma K Paris and SNCPR are limiting services at the community center – PC/PS are working with Boys' and Girls' Club to obtain a 21st Century Learning Grant to use to operate before/after school, days off, and summer care for students – hope is that we will have a way of replacing the services that had previously been offered by SNCPR
3. Treasurer's Report (Deanna Hutsen) – See report
 - Shadow – not needed for 2016-2017
4. T-Shirt Sales Report (Kristi Ditmer)
 - E-mailed report: t-shirt, dri-fit, boy and girl shirts – forms will go out next week
