I Remember Mama shows how Mama, with the help of her husband and Uncle Chris, brings up the children in their modest San Francisco home during the early years of the 20th century. Mama, a sweet and capable manager, sees her children through childhood, manages to educate them and to see one of her daughters begin her career as a writer. Mama's sisters and uncle furnish a rich background for a great deal of comedy and a little incidental tragedy, while the doings of the children manage to keep everyone in pleasant turmoil. No description can do justice to the rich characterizations that fill the author's canvas. Tickets are on sale now at **warutheatre.org** , or at the bank, or at the door. \$5 Come out and see a very heartwarming show **April 19th, 20th,& 21st**.

Attn: Seniors: Here is a special thank you to all those that applied for our **WRHS Memorial Scholarships**. There were lots of great candidates and the decisions were tough. The recipients of the awards have been notified and I encourage all of you to continue checking the counseling website and applying for the remaining scholarships.
