Senior Week 2018: Today, Ice Cream, Auditorium Commons - 10:30 - 11:00 am

Gay-Straight Alliance is hosting the Day of Silence this Friday. There will be a booth, where you can find additional info, in the commons for participants to register before school on Friday. Participants should wear black and refrain from speaking for the day in order to highlight the silencing, bullying, and harassment of LGBT+ students and the school community as a whole. A "Breaking the Silence" gathering will be held in the cafeteria after school and is open to all students who wish to discuss the impact of this event. Refreshments will be offered.
