We are a group of diverse students and adults from many different corners and cultures of our school and community. We believe that life has ups and downs and that all of us will go through good times and tough times. Our mission is to ensure that during the rough times, no one gets so overwhelmed or hopeless that they want to give up.

Our mission is to spread Hope, Help, and Strength into every corner of our community. Our mission is to help students and staff turn to their strengths and the supports that are all around. We are Connectors to Help and Strength. Our mission recognizes that our voice has great power and we use it to BREAK the SILENCE when someone is struggling and to connect them to the help they need and deserve.

We Spread Hope by focusing on stories of strength, rather than on stories of trauma. We know our most powerful impact comes from our actions, conversations, and messages that use our music, our art, our writing, our activities, our social media, our culture, and our voice. This gives life to our efforts.

Track and Field

Coach: Keith Wetzel **Assistants:** Colter Scott, Elizabeth Sigvaldson, Matt Swedlund, Steve Buhler, Ian Cropp, Joel Goering

Who Can Join? Any academically eligible student.

Starting Date: Spring Season Meeting Dates and Times: A no-cut sport, Track and Field is a spring sport for athletes to compete in Varsity and/or JV meets. JV meets are usually on Wednesdays and Varsity meets on Fridays. Offseason conditioning will be in January and February to prepare for the upcoming season. If you compete in a fall or winter sport, Track and Field is an excellent way to stay in shape, prepare for another sport, and compete at a high level.

Volleyball

Coach: Kevin Bordewick **Assistants:** Amanda Vanderbogart, Chloe Holman, Adam Schmitz

Who Can Join? Tryouts for academically eligible girls.

Starting Date: Fall season Practices/Games: As scheduled

Women's Wrestling

Head Coach: Damon Parker

Assistants: Lindsay Parker, Jessie Stonebraker, Saige Evans, Duane Zlatnik, Sabastion Cuffel, Elizabeth Sigvaldson

Who Can Join? All WRHS females, whether you have experience or not!

Starting Date: Practices begin mid-November. Competitions begin the first week of December. All wrestlers, regardless of experience level, will get to compete!

Why join: our girls have created a family environment of inclusiveness & body positivity that changes the lives of the girls within our program. Washburn's Women's wrestling team has won 4 Kansas state championships since 2020 and is the gold standard for women's wrestling in the United States, finishing ranked in the nation's top 25 programs for 5 consecutive seasons. Our goals as a program, however, have nothing to do with championships. Our goals are to give our girls...

1. *Strength*
2. *A voice*
3. *A platform from which to use that voice*
4. *An experience so positive that they insist that one day their children get involved.*

Wrestling (Boys)

Coach: Josh Hogan

Who Can Join? All academically eligible students 9-12 grade, no experience needed.

Starting Varsity level. Both varsity and JV have met almost every weekend. If you commit to participating with the Jr. Blues Wrestling Team, you will get ample opportunities to compete!

Practices/Competitions: Practice every day after school from 3:05 to 4:55. Competitions are almost every Saturday—early morning weigh-ins for day-long tournaments, and occasional weeknights for single and double dual competitions. The #1 wrestler in each weight class competes at the varsity level, while everyone else competes at the junior varsity level.

WRHS Student Club Application and Requirements

If you are interested in starting a new Student Club you can submit a proposal to Assistant Principal, Chris Reffett in the Main Office by April 1st of the school year before the club's establishment. Students looking to start a club or serve as officers in a club must be students in good standing and approved by their assistant principal (academics, attendance, discipline, etc.). The first step in creating a new club is securing a certified staff member who is assigned to WRHS and who is willing to work with you to help create the club as well as oversee all future club activities. The next step is submitting your proposal to be considered for approval. The components of the proposal should include:

1. An extended description of the mission and purpose of the club. Be sure to articulate how this club is substantially different than any other established club in its scope of activities. Proposed clubs that essentially encompass the purpose of any established club will not be permitted.
2. A detailed description of how the proposed club aligns with the goals, mission, or purpose of the national organization with which the club plans to align – if applicable (please remember that all national organizations should have a focus that is both legal and age-appropriate for the school setting).
3. A Constitution for the governance of the club that includes the following:
 - a. The official name of the club.
 - b. Qualifications of club members.
 - c. Officer structure of the club and how they're elected.
 - d. Specific duties of each officer.
 - e. Specific duties of club sponsor.
 - f. Meetings/Activities:
 - i. How often?
 - ii. Where will they be held?
 - iii. During school/Outside of school?
 - iv. Documentation of group meetings/activities.
 - v. Length of meetings.
 - g. How will group activities be funded? Fee/dues, etc.
 - i. If financial support is necessary to get started, a proposal detailing the required expenses should be submitted as part of the approval process.
4. Are there competitions and/or field trips involved? If so, will it require missed class time? Are there associated costs? (see 3 above)
5. As part of this proposal, please provide a list of signatures of students who have committed to joining this club. Because sustainability and/or viability is a primary consideration in the establishment of new clubs, a minimum number of committed

members will be set at 50, with no more than 30% of these being seniors.

6. Incomplete proposals will not be considered.
7. All student clubs and organizations must receive a charter through the WRHS Student Council. Submitted proposals meeting the aforementioned stipulations will be submitted to that organization for final consideration.
8. If approved, a club will be expected to operate within the established parameters of their original proposal and consistent with school policy. Any club that is found to be operating contrary to school policy and/or its intended purpose may be subject to the revocation of its charter by the administration and therefore cease to be an approved club.
9. All proposals will include the following sentence to verify that the proposed club sponsor is aware and supportive of the submission in its entirety:

"I have assisted in the preparation of this proposal, understand and accept my responsibilities as a club sponsor as articulated within, and am supportive of this organization's establishment."
