

PREK/KDG #keeplearning Board #2

Even though we are not physically together, learning happens every day. This #keeplearning Board is designed to keep families and schools engaged with learning while we are apart.

The following lists of activities are at varying levels of difficulty. These are learning opportunities that you may choose to do at home with your child.

<p><i>Social-Emotional</i></p>	<p><i>English Language Arts</i></p> <p>*Read or listen to a book EVERY DAY*</p>	<p><i>Writing</i></p>	<p><i>Math</i></p>
<p>Play outside on a nice day! Look around and say out loud 5 things you are thankful for.</p>	<p>Start with the word hat. See how many words you can make by just changing one letter at a time! Ex. Start with the word hat change the /h/ to a /c/ = cat Change the /c/ to a /s/ = sat Change the /t/ to a /m/ = sam This activity can go so many directions! Have fun!</p>	<p>Trace the word.</p>  <p>Write the beginning sound of the pictures.?</p> 	<p>See how high you can count! Can you write that high too? Can you jump that many times? Stand on one foot for that long!</p> 
<p>Choose your favorite animal. Move like your favorite animal and think about how that animal would take care of its baby!</p> 	<p>Draw a line to pictures that rhyme with pig.</p> 	<p>Write the beginning sound of the pictures.?</p> 	<p>Add. Write the numbers.</p>  <p>3 + 3 = _____</p>

Take 10 slow deep breaths. See what you can hear around you. Can you name what is making the noise you hear?

Play Simon Says or another game with someone. Practice taking turns and being a happy winner and a happy loser.

Make a fort and read in it

Go on a letter hunt around your house. See if you can find all the letters Aa through Zz. You may want to write the alphabet down first, so you can mark them off as you find them!

What is your favorite color? Count how many things in your house that are that color! If time allows, ask your family members what their favorite colors are and do the same!
