

Shawnee Co. 4-H

Horse Club

Join us in all things equine this year through Horse Club! Through clinics, volunteering and working with other horse facilities or professionals, and shows lots of fun will be had and friendships will be made.

Don't have a horse? No problem!

Horseless riders will have multiple opportunities to be involved in Horse Club. We actively participate in Hippology, Horse Quiz Bowl, Horse Judging and many other equine-related activities! Not looking to study? No worries! Photography and model horse competitions are fan favorites!

Questions?

Come to a meeting! Held at the Shawnee Co. District Extension Office Meeting Room every 4th Thursday at 7pm. (excluding July + December)
