## ZOMBIE PAINTBALL HUNT

(8 YEARS & OLDER)

In 1853, the ghost town of Franklin was established on this very spot. Today, nothing remains except that every October, the town comes BACK TO LIFE as the dead reawaken from the old cemetery. This year, the local government has commissioned an elite task force to eradicate the undead once and for all and end the curse of Franklin, Kansas! As part of this task force, we wish you the best of luck in your conquest. May you succeed or become part of this ghost town FOREVER.

Destroy the zombie menace at the cemetery, jail, hospital, school and more with paintball guns! Fun for the whole family! See website for details.
