

April 12, 2022

Auburn-Washburn School Community,

Thank you for the high levels of engagement shown over the last two years as we collected and analyzed feedback from 30 strategic planning meetings. The outcome of that work led to a two-question bond election that closed today at 12:00 pm. The following unofficial results were just shared with us by the Shawnee County Election Office:

Question 1 - Not to exceed \$145 million dollars - Passed

- 5,657 Yes votes - 61%
- 3,651 No votes - 39%

With Question 1 passing, the school district will pursue the following capital projects:

- Build a second middle school
- Expand the early childhood program
- Build a Career and Technical Center
- Add and/or repurpose spaces at each school to meet student needs

Question 2 - Not to exceed \$15 million dollars - Did Not Pass

- 4,199 Yes votes - 45%
- 5,105 No votes - 55%

The school district will not pursue building a multi-use community pool.

Thank you for remaining informed throughout this process, but most importantly, thank you for voting. We are extremely excited to pursue the capital projects outlined in Question 1! They will provide tremendous benefits to students and the entire Auburn-Washburn school community.

Detailed information about next steps will be shared later, but for now, thank you again for voting!

Thank You,
Michael

Michael White
Board President
