

## Test-To-Learn Option Fall 2021

1. The school nurse or administration notifies parents via email with [permission to test information](#) and [consent form](#). Parents must sign off on the form before starting the Test-To-Learn option.
2. Parents must transport students to Farley each day during Test-To-Learn duration.
3. Students must arrive between 8:05 am - 8:20 am, which allows time for results to come before the start of the school day at 8:45 am.
4. Parents will park in the parking spots closest to the school. The VIP and/or handicap spots.
5. Parents and students remain in the vehicle and call the main office at 785-408-8300 to notify us that they have arrived for the Test-To-Learn option. The office will notify the school nurse.
6. Parents and students may remain in the vehicle during testing and while waiting for results.
7. School Nurse will notify parents of negative results to proceed to learn or positive results to be advised of quarantine.
8. If students can proceed to learn, the school nurse will remind parents the test is valid only for a 24-hour period. Testing must occur daily (on school days) during the Test-To-Learn period.
9. Parents and staff will remind students that masks must stay securely in place and strictly follow all required mitigation while in the school building during the Test-To-Learn period. Failure to wear a mask properly will make your child ineligible for TTL.

**Note:** *If the school nurse is not available to test, parents will be redirected to an alternate test site.*
