"This fall, the Washburn Rural Theatre Department proudly presents *Booby Trap* by Ed Monk--a powerful play about the human cost of war. It tells the story of an American soldier trapped on a landmine, reflecting on his life and the sacrifices made by those who serve our country.

Our Theatre Department is dedicated to telling meaningful stories that spark conversation, empathy, and reflection. Our program works to create art that resonates beyond the stage and connects to the lives of our students, families, and community.

To honor our veterans, we invite community members to share the names and stories of service members who have **passed away**, been **Prisoners of War (POW)**, or who have been declared **Missing in Action (MIA)**. These names will be respectfully acknowledged during the production.

If you'd like to contribute, please fill out [this form](#) or contact Paige Bernick at [crockpai@usd437.net](mailto:crockpai@usd437.net) by **Friday, September 26**.
