*Let's make this year amazing!*

This fall, the Washburn Rural Theatre Department proudly presents "*Booby Trap*" by Ed Monk--a powerful play about the human cost of war. It tells the story of an American soldier trapped on a landmine, reflecting on his life and the sacrifices made by those who serve our country.

Our Theatre Department is dedicated to telling meaningful stories that spark conversation, empathy, and reflection. Our program works to create art that resonates beyond the stage and connects to the lives of our students, families, and community.
