WRHS ACTIVITIES

Let's make this year amazing!

Make A Difference Club will be celebrating **Mix It Up Day** on November 13. Take time to say "HI" to new people.

Representatives from Washburn University Department of Biology will be in Design/Think in the Innovation Center on November 13, during Club. They will present information related to the degree programs and courses offered through the Biology Department. If you are interested in Medicine, Allied Health Sciences, Physical and Occupational Therapy or Medical Lab Sciences, plan to attend!
