*Let's make this semester amazing!*

***Black History Month*** is the month of February. In honor of this, Common Grounds has invented a new drink for the month. It is called the "Soul Sip". Be sure and stop by and get you one! We will also be doing a **Spirit Week** the last week of February, and would love for you all to join us. Please see the attached flyers below for more information. We appreciate your support in helping celebrate this important month!
