WRHS ACTIVITIES

Let's make this semester amazing!

Please check lost and found if you are missing any coats, hats, jackets, lunch boxes, or water bottles.

Blues Studio presents a special evening of theatre with limited onstage seating on May 1st and 2nd at 7pm. Join our protagonist, Rose, in Radio Falls, a town trapped within perpetual winter ever since the evil Rime Witch came and stole the magic coin that sustained peace and happiness for the little town. To save Radio Falls from its frigid misery, Rose sets out to find the Rime Witch and return the coin to where it belongs. Will Rose succeed?

Rose and the Rime, a play for children from ages 7-97, reminds us once more that anything powerful enough to fulfill all your dreams is also powerful enough to destroy them. More information at WaRuTheatre.org or our Facebook page.

An Evening of Short Plays! – May 4th at 7pm.

Join WaRu Theatre for an Evening of Short Plays featuring our senior directed one-act, All in the Timing, and an original adaptation of Shakespeare scenes created by our Directing and Acting collected at the door!

Attention Bus Riders: The students that normally ride Bus 46 will ride Bus 79 for the rest of the year.

Washburn University is visiting during advisory on Monday April 27th in the commons.
