Called to order- President Bailee Anderson @6:00PM

Principal's Report - Mrs. Williams at Pauline Central relayed we will have improvements to the building in next 18 months. It will provide better parking of bus lines. We are excited for the new class to come to our building.

Principal's Report - Mr. Holman at Pauline South communicated the addition to our building will have a positive effect to schools. Parent information night is coming next week. Picture day is the Friday following parent night.
