        ii. Big prize Winners
            1. We can have a second assembly for the big prize winner but normally it is one assembly for 3 winners at each school. Just like the kick off.
            2. Does the winner have to do the cash machine? The 3 sellers get in the machine if they want but they generally set up a raffle. The student for every 10 items they sell gets their name in the drawing. So the top sellers are most likely to win. Regarding the age, Red Wheel can do a cash prize if they do not want to get into the cash machine. They also guarantee anyone who gets in the machine will get at least $15 even if they catch less (most catch more).
            3. 10/25 1:45 at Pauline South and 2:45 at Pauline Central Works for Red Wheel.
