Principal's Report	<p>Mr. Holman: We are so happy to be back in school. Thank you all for your patience with the school closings. Kids are back and really focused. Great first day back from break. MAP testing wrapped up before the end of break. MAP testing is great at showing the teachers what the students are still needing help with. Room parties went really well on the last day of school before break, just a really good feel good day.</p> <p>Mrs. Williams: Thank you for everything that the PTO members do. We are looking forward to rescheduling the ribbon cutting ceremony. Gabe's wife is holding a celebration with the 2nd and 3rd graders that met their MAP growth goals this Thursday the 16th. They are going to "rock the MAP test". Almost every student met their growth goal. A celebration parade will also occur throughout the school on Friday. Testing has finished and results will be shared soon.</p>
