Principal's Report	<p>Mrs. Williams: K-2nd graders recently had the Atlas Education Reptile assembly. The presentation was a good investment of time and funds. Students were engaged & touched several reptiles. The Pre-K will have their assembly on Wed., March 4. Parent Teacher Conference attendance was increased from the Fall. K-2nd grade had 96% parental contact (in-person/phone). Pre-K-2nd grade was 94.8%. This was due mostly to the extended outreach to parents from staff.</p> <p>Mr. Holman: A special thanks to the PTO for providing meals for Parent Teacher Conferences. Parent Teacher Conference meals went well! Thanks to everyone that planned and contributed towards the 4 meals for staff. It was truly appreciated!

Thanks to all of the parents that helped out during the PC Book Fair. Mrs. Riner appreciated the hard work and contribution of time spent to help the book fair run smoothly.

The Atlas Education assembly was a HUGE success! The "hands on" experience was exciting and had a huge educational value for the students. Several staff members were seen showing bravery by wearing a huge boa around their necks! :)
