

An Open Message to Businesses and Future Sponsors

The Blues Backers are asking for your support; a show of confidence in the resiliency of our post-COVID world. These past years have been rife with uncertainty and setbacks, public fears, and private struggles. Yet, there is a bright light on the horizon.

The young people of today are not just the leaders of tomorrow, but also the future shoppers and investors, so we urge civic-minded companies to share their support. As a 501(c)3 organization, the WRHS-PTO aims to enhance the student experience and opportunities in our rural high school district and to prepare the next generation to think and act beyond themselves as adults. Each time we actively show what it means to give back, we take another step forward in building community throughout our schools, cities, state, and country.

Through your choice to contribute our students will gain more than a fun activity, your tax-deductible donation will provide them with an opportunity to engage with the world beyond high school. This could allow them to embrace and overcome challenges while creating something to be proud of, or to collaborate with distant teams that support them like family.

Please thoughtfully consider how you can help. It might be a product, a service, a monetary donation, a contact referral, a skill, an intervention, an inspiration, or a word of encouragement. Small shovels, filled by many, can move mountains.

We look forward to hearing from you and hope to work with you soon.
